VITAMINS AND DIETARY SUPPLEMENTS

We have a medinary of vitamins, herbs and other specialty dietary supplements available for sale during normal business hours. Please call ahead if possible.

Most of our patients use FULLSCRIPT for access to e-prescribing, easy online ordering, many health tools, and our discounts for being our patient. If you need a Fullscript account or have questions, please contact our office.

BLOODWORK AND OTHER LAB TESTS

Patients can order lab tests anytime. Cost +\$25-35 blood draw + processing fees. Most standard bloodwork is handled by Quest Diagnostics and covered by most PPOs

CBC – CMP--Lipid Panel—Glucose--Hemoglobin A1C--Vitamin D—Panel Tests
We work with well-known specialty lab tests to evaluate risk and for treatment plans
Food Sensitivities – Digestive Tract – Stool Analysis – Hormones – Cardiovascular Risk
Brain Health – Genetic Risk Factors – Environmental Toxins – Heavy Metals

B12 SHOT - INJECTIBLE VITAMIN – HAPPY HOUR!

Book Online between 1-2pm! You do not need to be a patient.
